Re: Adv. File A86-230

Dear Mr. Sarvis:

Pursuant to your request, this letter is to confirm our telephone conversation of Tuesday, July 15, 1986 concerning semi-annual statements for a recipient committee in 1985 and in 1986.

I stated that in 1985, if a recipient committee did not receive contributions, nor made any expenditures during the six month period covered by the semi-annual statement, the recipient committee did not have to file a semi-annual campaign statement.

The second semi-annual statement for 1985 covered the period of July 1 through December 31, 1985 and was due no later than January 31, 1986 and was subject to the campaign provisions as of January 1, 1985.

In 1986, because of legislative changes effective January 1, 1986, I stated that all recipient committees shall file semi-annual statements each year no later than July 31 the period ending June 30, and no later than January 31 for the period ending December 31 (Government Code Sections 84200 (a)).

I have enclosed a copy of the Political Reform of 1974 as Amended to January 1, 1986 for your convenience.

If I can be of any further assistance, please do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive script, appearing to read "Helen P. Arriola".
